Welcome to the December Newsletter – the last for 2022. If you're wondering where the year went, you're not alone. Walkerville All Cars Club has made some changes and additions and that is just the beginning.

DON'T FORGET!!!

**Wednesday 14 December, 7.00pm,
Walkerville RSL Hall, Walkerville All
Cars Club AGM.**

**The event will be catered as before.
Did you RSVP? Come along and have
your say about the direction for
Walky for 2023 and beyond.**

Have you been naughty or nice? Either way, have a great break over the holiday period with friends and family, and come back refreshed for a new and exciting year for Walkerville All Cars Club in 2023.

CAN YOU HELP?

HOW ARE YOUR WELDING SKILLS?

We need help from someone with the skills needed to fabricate and weld an A frame to an existing roller, based at Walky Park. This is a standalone project, not a lifetime commitment, to facilitate more use from an 'old friend', eg: behind the new tractor or the grader, If you, or a friend/family member, can help, please contact Bob Nason at president@wacc.asn.au or on 0409 676 649

RALLYING 1968 - 2021 THE CHANGES

Starting a rally career in 1968 and retiring in 2022 I have seen many changes to the way in which the sport is conducted and the advances made in the cars used in Rallying. I, along with a few other stalwarts of the sport, still around today, have seen these changes and experienced many of the cars both classic and modern.

For me the cars have been either as a driver or navigator/co-driver:

- Morris Nomad (Navigator)
- MG Magnette Series ZA (Driver)
- Holden FJ (Driver)
- Ford Anglia 105e (Navigator)
- Austin Kimberly (Navigator)
- Holden Monaro 327GTS (Driver)
- Ford Fairlane (Driver)
- Ford Zephyr Mk2 (Driver)
- Mini Cooper S (Driver)
- Ford Cortina GT (Navigator)
- Ford Escort Mk1 (Navigator)
- Mazda RX2 (Co-Driver)
- Subaru RX Turbo (Co-Driver)
- Mitsubishi Lancia Evo1 (Co-Driver)
- Mitsubishi Lancer Evo 6 (Co-Driver)
- Holden Calibra Turbo All Wheel Drive (Co-Driver)
- Mitsubishi Galant VR4 (CO-Driver)
- Porsche 928S (Co-Driver)
- LOTUS Esprit (Co-Driver)
- Ford Perana (Co-Driver)
- Subaru WRX (Co-Driver)
- Mercedes Benz 280S (Co-Driver)
- Alfa Romeo GTV6 (Co-Driver)
- Volvo 242GT (Co-Driver)

In the next issue of Walky Torque I will list the drivers I have had the pleasure of competing with.

The last word...

So, 2022 is on its way and the end of the year has brought bad luck and bad news to many people all over the country, and in our own Riverland. Walkerville All Cars Club committee voted to make a donation to Foodbank to support those people doing it tough right now. If you would like to help out our SA community too, the details and the link to Foodbank (click on the purple box) is as follows:

Our Foodbank Riverland Operation based in Berri is in the heart of the Riverland. We have commenced distribution of additional emergency food and water supplies to Riverland communities from Berri and our Murraylands operation located in Murray Bridge. This support will be made available to individuals and families impacted by the floods including via Emergency Relief Centres being established by Housing SA.

Our Foodbank RAA Mobile Food Hub will continue to deliver food relief to Riverland communities, including Berri, Renmark, Waikerie, Loxton and Barmera to ensure no one goes without.

Foodbank Riverland Flood Appeal

Our regional communities are 33% more likely to experience food insecurity and they have faced so many challenges in the last few years: fires, pandemic, fruit fly and now floods. We know our Riverland communities will be hit hard, with homes and businesses destroyed and families left homeless before Christmas.

We have already seen an increase in locals requiring our Mobile Hub food service as power outages and floods put already struggling individuals and families at risk.

For those that would like to support, Foodbank SA will be accepting donations of food and funds to support our food relief activities in the Riverland. Funds will cover the cost of food, water, and freight to those hardest hit in the coming weeks and months ahead.

100% of your donation will be used to get food and water to those who need it the most in the Riverland. For every \$1 donated to Foodbank, we can purchase \$6 worth of food thanks to our relationship with food retailers and manufacturers.

SA FLOOD APPEAL

So, another year is coming to an end. There is a lot happening over the next month or two and, importantly for Walkerville All Cars Club, our AGM on December 14. The event will be catered as always. **We will need to know numbers for that purpose.**

Following this newsletter, you will find some notes on AGM proceedings along with the minutes of last year's AGM. Please take the time to read these. This is your club and you can make it even better in 2023.

Looking forward to catching up on 14th December.

1. If you will be an apology, we need to know. Please notify Steven Rowe secretary@wacc.asn.au
2. Thanks again to everyone who has helped in any capacity during 2022, including those who have submitted photos. (Keep them coming.)

Until next month.
